WE CURE YOU

This is nature's own remedy, entirely harmless. It cures because it builds up and fortifies, rejuvenates the weak and unstrung nerves. It stops the craving for tobacco by supplying instead a healthy nerve tonic and strengthener. You can cure yourself and others, too from the tobacco habit. Order a supply at low prices.

WERE YOU BORN

A LUCKY STAR?

A complete exposition of the science of astrology by A. Alpheus. Never before has a work on this ancient science been published at a price within the reach of all. Illustrated and bound in cloth.

There's a season for beginnings
When the world is fresh and new,
When we share our dreams
of all the things
We plan and hope to do . . .

There's a season
for maturing
When we think and work and grow,
And a season
for the harvesting
of all we've come to know . . .
And each successive season
grows still richer than the last,
As treasures of the present
add to memories of the past.

OUR DEDICATION

Many, long hard hours of work have gone into making the 1979 GALLIAN successful. Not only the staff but also the respective advisors have contributed greatly to producing this yearbook. Therefore, we, the staff, would like to dedicate the 1979 GALLIAN to Mrs. Brenda Elkins, business staff advisor, and Mrs. Darlene Carmichael, editorial staff advisor.
